Individual Members are eligible for one ticket for one tour. Household and Premium Members are eligible for two tickets that can either be two tickets for the same tour or one ticket for each of two different tours. If the latter, fill out two separate forms. Tickets are $50.00 each and must be pre-paid either online or by check mailed to CADS. No refunds unless we are able to re-sell your ticket.

In the list below indicate your preferences from 1st through 7th. If your name is picked, you will receive the highest choice that is still available at the time your name is drawn. If you are only interested in a few of the tours, you are not obligated to prioritize all seven options. If any slots are still available after all the names have been drawn, we will go back to the beginning of the list and – in order - offer the same number of additional seats to members until all the slots have been assigned.
